2. Solitary Workers

CLASS acknowledges that some employees may on occasion be a solitary worker. This is an employee performing approved duties while alone and not in communication with another person in the same facility. Any employee working alone must have a communication plan during that time.

- 2.1. The employee must communicate to their supervisor the circumstances when they will be working alone.
- 2.2. The supervisor is responsible to ensure that each employee is aware of their obligation to establish a communications plan to ensure follow-up in the event of distress or disability.
- 2.3. Employees who work after hours or over the weekend are responsible to ensure they have a communication plan in place for an emergency.
- 2.4. When employees are working after hours or on weekends they must advise a colleague or a family member that they will be at work at a particular time. The two parties will agree on a check time and a plan of action if the employee is not reporting in at the agreed upon check time.

3. Expectations

- 3.1. CLASS will model and promote efforts that lead to a safe and healthy environment. All staff are accountable for implementing applicable safety programs, for complying with the *Occupational Health and Safety Act*, and for ensuring workplaces under their direct control are kept in a healthy and safe condition.
- 3.2. Every supervisor who has charge of a workplace or workers will be trained on a continual basis, as appropriate, with the Health and Safety Program and will maintain and implement the program in the workplace.
- 3.3. Each worker will report to their supervisor, as soon as possible, any hazardous conditions, injury, accident or illness related to the workplace.
- 3.4. CLASS reserves the right to establish and enforce more stringent standards as may be considered appropriate.
