CATEGORY 6
Eligibility Information

Overview

Category 6 includes for-profit programs, corporate initiatives, or outside organizations requiring regular facility use (such as weekly church services), as well as any rental requests that do not meet, or do not provide the required information or documentation to qualify for another rental category.

Eligibility

There are no specific eligibility requirements for Category 6.

Rental requests will be classified as Category 6 when the organization or activity does not meet, or does not provide the necessary information or documentation to support, eligibility for Categories 1–5.

Examples

Category 6 may include, but is not limited to:

- For-profit organizations or businesses
- Corporate events or initiatives
- Outside organizations requiring regular facility use (such as weekly church services)
- Groups that do not meet the criteria for Categories 1–5
- Applications that are missing required information or documentation to be classified in another category

Need More Information?

If you are unsure which category applies to your rental or need help understanding the requirements, please contact the CLASS Community Use of Schools – Rental Office. We are happy to assist you.
